12 (s) Until a Qualifying Patient who has submitted an application and the required fee to  
13 the OCR receives a registry identification card or a rejection, a copy of the  
14 individual's application, written certification, serves as proof that the application was  
15 submitted to the OCR and is considered a valid registry identification card.  
16

17 (t) Until a Designated Caregiver whose Qualifying Patient has submitted an application  
18 and the required fee receives a registry identification card or a rejection, a copy of the  
19 Qualifying Patient's application, written certification, serves as proof that the  
20 application was submitted to the OCR and is considered a valid registry identification  
21 card.  
22

23 (u) Written certifications issued within the previous year are considered registry  
24 identification cards for a Qualifying Patient, for at least 25 days after the OCR makes  
25 applications available for renewal.  
26

27 (v) Written certifications issued within the previous year are considered a Designated  
28 Caregiver registry identification card for at least 25 days after the OCR makes  
29 applications available for renewal if the following occurs:

- 30 (1) a copy of a Qualifying Patient's valid written certification was issued  
31 within the previous year; and  
32 (2) a signed affidavit attesting that the person has significant responsibility  
33 for managing the well-being of the patient and that the person has been  
34 chosen to assist the Qualifying Patient.

35 **§ 781. Verification system**

36 (a) The OCR shall maintain a confidential list of the persons to whom the OCR has  
37 issued Medical Cannabis Registry Cards or Medical Cannabis Adult Use Permits and  
38 their addresses, phone numbers, and registry identification numbers. This  
39 confidential list may not be combined or linked in any manner with any other list or  
40 database, nor may it be used for any purpose not provided for in this chapter.  
41  
42

43 (b) The OCR shall establish a secure phone or web-based verification system. The  
44 verification system must allow law enforcement personnel and Medicinal Cannabis  
45 establishments to enter a registry identification number and determine whether the

1 number corresponds with a current, valid registry identification card. The system  
2 must disclose only:

- 3 (1) whether the identification card is valid;
- 4 (2) the name of the cardholder;
- 5 (3) whether the cardholder is a Qualifying Patient or a Designated Caregiver;
- 6 (4) whether the cardholder is permitted to cultivate Cannabis plants;
- 7 (5) the registry identification number of any affiliated registered Qualifying  
8 Patient to a Designated Caregiver; and
- 9 (6) the registry identification of the Qualifying Patient's dispensary or  
10 dispensaries, if any.

11 **§ 782. Notifications to OCR and responses**

- 12 (a) The following notifications and OCR responses are required:
  - 13 (1) A registered Qualifying Patient shall notify the OCR of any change of  
14 name or address, or if the registered Qualifying Patient ceases to have a  
15 debilitating medical condition, no later than 10 days after the change.
  - 16 (2) A registered Designated Caregiver shall notify the OCR of any change of  
17 name or address, or if the Designated Caregiver becomes aware that the  
18 Qualifying Patient s deceased, not later than 10 days after the change.
  - 19 (3) Before a registered Qualifying Patient changes his Designated Caregiver,  
20 the Qualifying Patient shall notify the OCR.
  - 21 (4) When a registered Qualifying Patient changes his preference as to who  
22 may cultivate cannabis for the Qualifying Patient, the Qualifying Patient  
23 shall notify the OCR.
  - 24 (5) If a cardholder loses his registry identification card, he shall notify the  
25 OCR no later than 10 days after becoming aware the card has been lost.  
26
- 27 (b) Each notification a registered Qualifying Patient is required to make may instead be  
28 made by the patient's Designated Caregiver if the Qualifying Patient is unable to  
29 make the notification due to his age or medical condition.  
30
- 31 (c) When a cardholder notifies the OCR of items listed in subsection (a), but remains  
32 eligible under this chapter, the OCR shall issue the cardholder a new registry  
33 identification card with a new random 10-digit alphanumeric identification number  
34 no later than 10 days after receiving the updated information and a fee in accordance  
35 with OCR's rules. If the person notifying the OCR is a registered Qualifying Patient,  
36 the OCR shall also issue his registered Designated Caregiver, if any, a new registry  
37 identification card no later than 10 days after receiving the updated information.  
38
- 39 (d) If the registered Qualifying Patient's certifying practitioner notifies the OCR in  
40 writing that either the registered Qualifying Patient has ceased to suffer from a  
41 debilitating medical condition or that the practitioner no longer believes the patient  
42 would receive therapeutic or palliative benefit from the medicinal use of Cannabis,  
43 the card becomes void.  
44
- 45 (e) A Medicinal Cannabis Business shall notify the OCR after one business day of any  
46 theft or significant loss of Cannabis.

1 **§783 - Patient's Bill of Rights**  
2

- 3 (a) Activities related to Medical Cannabis are unlawful unless they are conducted in  
4 accordance with this Chapter.  
5
- 6 (b) In accordance with the rights and limitations set forth in this Chapter, a Qualified  
7 Patient, Designated Caregiver, or the parent or legal guardian of a Qualified Patient  
8 under eighteen (18) years of age, shall not be denied any right or privilege, or be  
9 subject to arrest, prosecution or penalty in any manner, including any civil penalty  
10 or disciplinary action by a court or occupational or professional licensing board for:  
11
- 12 (1) The possession, use, display, transport, process, or transfer of Medical Cannabis  
13 Items or Medical Cannabis Paraphernalia;  
14
- 15 (2) The purchase of Medical Cannabis Items from a Licensed Medical Cannabis  
16 Dispensary or Medical Cannabis Paraphernalia;  
17
- 18
- 19 (3) The manufacturing of Medical Cannabis into Medical Cannabis Concentrate or  
20 Medical Cannabis Product without the use of solvents and in a manner, that does  
21 not pose harm to others; and  
22
- 23 (c) A Qualified Patient shall not have any personal property related to Medical  
24 Cannabis, including any Medical Cannabis Items and Medical Cannabis  
25 Paraphernalia, seized or forfeited solely for conduct that is permitted under this  
26 Chapter.  
27
- 28 (d) Possession of, or application for, a Medical Cannabis Certification or Medical  
29 Cannabis Registry Card pursuant to this Code does not alone constitute probable  
30 cause or reasonable suspicion, nor shall it be used to support a search of the Person  
31 or property of the holder of a Medical Cannabis Certification or Medical Cannabis  
32 Registry Card, or otherwise subject the Person or property of the Person to  
33 inspection by any governmental agency.  
34
- 35 (e) Possession, use, display, transport, process, or transfer of Medical Cannabis Items  
36 or Medical Cannabis Paraphernalia by a Qualified Patient does not alone constitute  
37 probable cause or reasonable suspicion, nor shall it be used to support a search of  
38 the person or property of the holder of a Medical Cannabis Certification or Medical  
39 Cannabis Registry Card, or otherwise subject the person or property of the person to  
40 inspection by any governmental agency.  
41
- 42 (f) No landlord may refuse to lease to, and may not otherwise penalize, a person solely  
43 for the person's status as a Qualified Patient unless failing to do so would violate  
44 federal law or regulations or cause the landlord to lose a monetary or licensing-  
45 related benefit under federal law or regulations. A landlord may not be penalized or  
46 denied any benefit under territorial law for leasing to a Qualified Patient. No

1 landlord shall be penalized for seeking a smoke-free environment in such leased  
2 premises.  
3

4 **(g)** No school may refuse to enroll, or otherwise penalize, a person solely for his or her  
5 status as a Qualified Patient unless failing to do so would cause it to lose a monetary  
6 or licensing-related benefit under federal law or regulations. No school may be  
7 penalized or denied any benefit under territorial law for enrolling a Qualified Patient.  
8

9 **(h)** A Qualified Patient who is a student shall not possess or self-administer Medical  
10 Cannabis Items on school grounds, upon a school bus, or at any school-sponsored  
11 event, except that a parent, guardian, or Designated Caregiver, or a practitioner, or  
12 nurse practitioner approved by the student's parent or guardian, may possess and  
13 administer Medical Cannabis Items in a non-smokable form to a Qualified Patient  
14 upon the grounds of the preschool or primary or secondary school in which the  
15 student is enrolled, or upon a school bus or at a school-sponsored event. The parent,  
16 guardian, school nurse, practitioner, or nurse practitioner shall not administer the  
17 non-smokable Medical Cannabis in a manner visible to other students, that creates  
18 a disruption to the educational environment, or that causes exposure to other  
19 students.  
20

21 **(i)** A school district or charter school may not deny eligibility to attend school to a  
22 student who holds a valid Medical Cannabis Certification because the student  
23 requires Medical Cannabis Items in a non-smokable form as a reasonable  
24 accommodation necessary for the child to attend school.  
25

26 **(j)** This Section does not apply to a school district or charter school if:  
27

- 28 (1) The school district or charter school loses federal funding as a result of  
29 implementing this paragraph;
- 30 (2) The school district or charter school can reasonably demonstrate that it lost  
31 federal funding as a result of implementing this paragraph; and
- 32 (3) The school district or charter school posts on its website in a conspicuous place  
33 a statement regarding its decision not to comply with this paragraph.  
34

35 **(k)** No employer is required to allow the consumption of cannabis in any workplace or  
36 to allow any employee to work while under the influence of Medical Cannabis.  
37 Similarly, a Qualified Patient shall not be protected from sanctions for engaging in  
38 activities under the influence of Medical Cannabis in a manner that is a violation of  
39 a privileged license. However, a registered Qualified Patient shall not be considered  
40 to be under the influence of Medical Cannabis solely because of the presence of  
41 metabolites or components of cannabis that appear in sufficient concentration to  
42 cause impairment.  
43

44 **(l)** For the purposes of providing medical care, including organ and tissue transplants,  
45 a Qualified Patient's use of Medical Cannabis Items pursuant to this Chapter are  
46 considered the equivalent of the authorized use of any other medication used at the

1 discretion of a practitioner and does not constitute the use of an illicit substance or  
2 otherwise disqualify a Qualified Patient from receiving or being eligible to receive  
3 needed medical care.  
4

5 **(m)** A person may not be denied custody of, or visitation rights, or parenting time with  
6 a minor for the Person's status as a Qualified Patient, and there may be no  
7 presumption of neglect or child endangerment for conduct allowed under this  
8 chapter unless the person's behavior is such that it creates an unreasonable danger to  
9 the safety of the minor as established by clear and convincing evidence.  
10

11 **(n)** An employer is not required to permit or accommodate conduct otherwise allowed  
12 by this act in the workplace or on the employer's property. An employer may  
13 discipline an employee for violation of a workplace drug policy or for working while  
14 under the influence of Cannabis. An employer may discharge, discipline, or  
15 otherwise take adverse employment action against a person with respect to tenure,  
16 terms, conditions, or privileges of employment because of that person's violation of  
17 a workplace drug policy during work hours or in the workplace.  
18

19 **§ 784. Affirmative Defenses and Dismissal For Medicinal Cannabis**

20 **(a)** Except as otherwise provided herein, a person may assert the medicinal purpose for  
21 using Cannabis as a defense to any prosecution involving Cannabis, and the defense  
22 is presumed valid where the evidence shows that:

23 (1) a Practitioner has stated that, in the Practitioner's professional opinion,  
24 after having completed a full assessment of the person's medical history  
25 and current medical condition made in the course of a bona fide  
26 practitioner-patient relationship, the patient has a debilitating Qualified  
27 Medical Condition and the potential benefits of using Cannabis for  
28 medicinal purposes would likely outweigh the health risks for the person;  
29

30 (2) the person, if issued a valid Medical Cannabis Registry Card by the OCR,  
31 was in possession of not more than 4.0 ounces of Cannabis, the amount  
32 of Cannabis products is within the limits allowed by OCR regulations,  
33

34 (3) the person was engaged in the acquisition, possession, use, manufacture,  
35 or transportation of Cannabis, paraphernalia, or both, relating to the  
36 administration of Cannabis to treat or alleviate the individual's  
37 debilitating Qualified Medical Condition or symptoms associated with  
38 the individual's debilitating Qualified Medical Condition; and  
39

40 (4) the person, if issued a valid Medical Cannabis Registry Card by the OCR,  
41 was engaged in the cultivation of Cannabis, relating to the administration  
42 of Cannabis to treat or alleviate the individual's debilitating Qualified  
43 Medical Condition or symptoms associated with the individual's  
44 debilitating Qualified Medical Condition; and any cultivation of  
45 Cannabis and storage of no more than the quantities authorized by Section

1 779 occurred in a secure location that only the person asserting the  
2 defense could access.

3  
4 (b) The defense and motion to dismiss may not prevail if the prosecution proves  
5 that:

- 6 (1) The person had a registry identification card revoked for misconduct; or  
7 (2) The purposes for the possession or cultivation of Cannabis were not  
8 solely for palliative or therapeutic use by the individual with a debilitating  
9 Qualified Medical Condition who raised the defense.  
10

11 (c) If an individual demonstrates the individual's medical purpose for using  
12 Cannabis pursuant to this section, except as otherwise provided herein, the  
13 individual is not subject to the following for the individual's use of Cannabis  
14 for medicinal purposes:

- 15 (1) disciplinary action by an occupational or professional licensing board or  
16 bureau; or  
17 (2) forfeiture of any interest in or right to any property other than cannabis.  
18

19 **§785. Application Requirements and Ownership Restrictions**  
20

21 (a) Ownership; Minimum Requirements for Cannabis Licensees Applicants.  
22

- 23 (1) An Applicant entity for a Cannabis License must be composed of Owners,  
24 principals, or members, each of whom is twenty-one (21) years of age or  
25 older and meets the suitability requirements set forth in this chapter.  
26  
27 (2) Only Owners may control or hold a partnership interest, limited or  
28 general, a joint venture interest, or ownership of a share or shares in a  
29 corporation or limited liability company which is licensed.  
30  
31 (3) An Applicant for a License that is a Business Entity must be organized  
32 under Title 13 or Title 26 of the Virgin Islands Code.  
33  
34 (4) A Cannabis License may not be held by a Person comprised of individuals  
35 any of whom has been convicted of a Disqualifying Felony Offense.  
36  
37 (5) An Applicant for a Cannabis License must demonstrate that they possess  
38 available funds in their control and financial capital as required by the  
39 OCR, which includes evidence in the form of bank statements,  
40 irrevocable lines of credit, or the equivalent showing that the Applicant  
41 has sufficient resources to operate.  
42  
43 (6) A Cannabis Licensee shall submit to the OCR for approval all Financial  
44 Interests and each holder of a Financial Interest must be approved by the  
45 OCR before such Financial Interest holder may accept any portion of the

1 Cannabis Licensee’s revenue, or exercise any of the privileges of the  
2 Financial Interest.

3  
4 (7) Residency Requirement. All partnerships, employee cooperatives,  
5 associations, nonprofit corporations, corporations, and limited liability  
6 companies applying for ownership of a Cannabis License must be formed  
7 under the laws of the U.S. Virgin Islands with its principal place of  
8 business in the U.S. Virgin Islands. Majority Owners must be bona fide  
9 Residents of the U.S. Virgin Islands. If a Cannabis Licensee does not  
10 have a Majority Owner, then at least 50.1% of the entity holding the  
11 License, on a fully diluted basis, must be owned by bona fide Residents  
12 of the U.S. Virgin Islands as defined in this chapter. Any Resident-Owned  
13 Business must comply with the provisions of Section 776(eeee).

14  
15 (b) Control. No Person other than an Owner shall have the authority to exercise  
16 control over a Cannabis Licensee. It shall be unlawful and a violation of public  
17 safety for any Person who is not an Owner to have control over the management  
18 or day-to-day operations of the Cannabis Licensee. Authority given to a  
19 Manager approved by the OCR to manage day-to-day operations of the  
20 Cannabis Licensee under the direction of the Owners shall not be considered  
21 control for the purposes of this Act. Whether a Person exercises control shall  
22 be determined by whether the Person takes or is authorized to take the following  
23 actions:

- 24 (1) Exercises final decision-making authority over operations of the  
25 business;
- 26  
27 (2) Directs the day to day operation of the business, except that Managers  
28 may direct the day to day operations subject to oversight by Owners  
29 pursuant to a lawful employment contract;
- 30  
31 (3) Is liable for the taxes and fees or other obligations of the Cannabis  
32 Licensee;

36 (5) Has authority to disburse funds of the business other than the receipt of  
37 regularly replaced items of stock;
- 38  
39 (6) Makes final policy decisions relative to the operations of the business; or  
40  
41 (7) Has voting rights or the right to obtain voting rights in the Cannabis  
42 Licensee.

43  
44 (c) Ongoing Suitability Requirements. An Applicant for a Cannabis License shall  
45 have an affirmative duty to notify the OCR in writing of: (i) any Disqualifying  
46 Criminal Offense under sections 776(gg) and 790(5) against an Owner within

1 ten (10) days of the Person’s arrest and within ten (10) days of disposition; or  
2 (ii) any change in residency disqualifying any Owner pursuant to section  
3 785(a)(7), within ten (10) days of such change. Upon determination by the OCR  
4 that an Owner associated with the Licensee is no longer suitable under this Act,  
5 the Cannabis Licensee shall have ninety (90) days to remove the disqualified  
6 Person from association with the Cannabis Licensee unless otherwise extended  
7 by the OCR for good cause. Failure to remove such disqualified Person in  
8 accordance with this section may be grounds for denial, suspension, revocation,  
9 or administrative action.

10  
11 **(d) Requirements Applicable to Financial Interest Holders.**  
12

13 (1) Approval Required. A Cannabis Licensee shall disclose all Financial  
14 Interests at the time of the initial application, change of ownership,  
15 change of Business Structure, renewal, and at any other time requested  
16 by the OCR. A Cannabis Licensee shall not permit any Person to hold a  
17 Financial Interest in a Medical Cannabis License unless and until such  
18 Person’s Financial Interest has been disclosed to and approved by the  
19 OCR. It shall be unlawful to fail to completely report all Financial  
20 Interests in each License. Failure to seek pre-approval of a Financial  
21 Interest or Financial Interest Holder may form the basis for denial or  
22 administrative action against the Cannabis Licensee. Each Financial  
23 Interest in a Cannabis License and any amendment, transfer, or  
24 assignment of a Financial Interest must be approved.  
25

26 (2) Required Agreement. A Cannabis Licensee seeking to apply for a  
27 Financial Interest must submit a copy of the contract between the  
28 Cannabis Licensee and the proposed Financial Interest Holder. The  
29 agreement between the parties must be approved by the OCR and shall  
30 be void and of no effect until and unless approved by the OCR. Such  
31 agreement shall be subject to rules promulgated by the OCR which shall  
32 at a minimum:  
33

34 i. Prevent the transfer or assignment of the Financial Interest, and  
35 shall contain a provision requiring that any funds exchanged  
36 pursuant to the agreement shall not be provided until the OCR  
37 approves the agreement in writing;  
38

39 ii. Include representations and warranties by the Financial Interest  
40 Holder that its investment is passive and has no entitlement or  
41 expectation of being able to have any control, participation in, or  
42 investment in the Cannabis Licensee except as permitted in the  
43 agreement as approved by the OCR;  
44

45 iii. Include representations and warranties by all parties that the  
46 agreement and the relationship between the parties is contingent

1 upon approval of the OCR and that the proposed Financial Interest  
2 Holder has no entitlement to or expectation of the OCR approving  
3 the Financial Interest;

4  
5 iv. Contain an acknowledgment that the agreement and relationship  
6 between the parties is contingent upon the approval of the OCR;  
7 and

8  
9 v. Contain an acknowledgment and agreement by both parties that  
10 the decision of the OCR to approve or deny the Financial Interest  
11 is final and wholly discretionary and any administrative or judicial  
12 review of such determination by the OCR will only occur through  
13 licensing or enforcement proceedings involving the Cannabis  
14 Licensee.

15  
16 (3) Investigation and Disclosures.

17  
18 i. The OCR will conduct a financial investigation as well as a  
19 criminal background investigation of all Financial Interest Holders  
20 in order to determine whether such Financial Interest Holder is  
21 qualified. After licensure, a Financial Interest Holder must  
22 continue to disclose the source of funds for all money relating to  
23 the Financial Interest in the Cannabis License. The OCR must  
24 approve these funds prior to the funds being used in any manner  
25 by the Cannabis Licensee.

26  
27 ii. As a part of its application, a Cannabis Licensee seeking to obtain  
28 approval of a Financial Interest shall provide evidence to establish  
29 that the Person seeking to become a Financial Interest Holder,  
30 including all members of any Business Entity seeking to become  
31 a Financial Interest Holder, are lawful residents of the United  
32 States, and shall provide documentation satisfactory to the OCR  
33 verifying and confirming the funds used for the Financial Interest  
34 were lawfully earned or obtained.

35  
36 iii. The OCR may deny an application for a Financial Interest Holder,  
37 or any Person who may participate in such interest if its  
38 investigation of the Applicant results in a determination that such  
39 holder is not suitable to hold a Financial Interest, is not of good  
40 moral character, or has not fully disclosed its sources of funds or  
41 interest in the Cannabis License

42  
43 (4) Ongoing Suitability Requirement.

44  
45 i. The Financial Interest Holder and the Cannabis License shall be  
46 subject to an ongoing duty to disclose in writing to the OCR any

1 and all events which may reasonably disqualify the Financial  
2 Interest Holder from having an Interest in a Cannabis License, no  
3 later than ten (10) days after receiving notice of the event.  
4

- 5 ii. If at any time the OCR finds any Financial Interest Holder is not  
6 qualified, the OCR may require the Cannabis Licensee to  
7 terminate its relationship, including but not limited to all financial  
8 relations, with the Financial Interest Holder within a specified  
9 time period by providing written notice to the Cannabis Business.  
10 Failure to terminate such a relationship and financial ties within  
11 the specified time period may be a basis for administrative action  
12 against the Cannabis Business.  
13

14 (5) Requirements-Permitted Interest Holders.  
15

- 16 i. An application for a Permitted Interest must be initiated by the  
17 Cannabis Licensee and must include a sworn affirmation from the  
18 Cannabis License Applicant and proposed Permitted Interest  
19 Holder on forms prescribed by the OCR that the Permitted Interest  
20 Holder will not exercise control, or have any right to control, the  
21 Cannabis License, until such time as the Permitted Interest Holder  
22 is licensed as an Owner.  
23
- 24 ii. Conversion from a Permitted Interest to an Owner shall occur  
25 pursuant to rules promulgated by the OCR and the terms of the  
26 Permitted Interest Agreement between the Cannabis Licensee and  
27 Permitted Interest Holder, but in no event can the conversion  
28 occur until such time as the Permitted Interest Holder meets all  
29 qualifications for licensure and ownership pursuant to this chapter  
30 and any rules promulgated pursuant to this Code.  
31
- 32 iii. The Cannabis Licensee or Permitted Interest Holder may initiate  
33 a conversion of a Financial Interest to Owner pursuant to the terms  
34 of the Permitted Interest Agreement by application to the OCR.  
35
- 36 iv. The approval of the Permitted Interest Holder by the OCR is  
37 wholly discretionary, and the OCR may, at any time, deny  
38 approval of the Permitted Interest or find that the Permitted  
39 Interest is no longer qualified. The Permitted Interest shall be  
40 terminable immediately upon such determination.  
41

42 (6) Requirements-Reasonable Royalty Holders.  
43

- 44 i. An application for a Reasonable Royalty must be initiated by the  
45 Cannabis Licensee pursuant to rules promulgated by the OCR and  
46 must include a sworn affirmation from the Medical Cannabis

1 License Applicant and proposed Reasonable Royalty Holder on  
2 forms prescribed by the OCR that the Reasonable Royalty Holder  
3 will not exercise control, or have any right to control, the  
4 Cannabis Licensee except as otherwise permitted by this Code or  
5 the rules promulgated thereto. Any violation of this Section may  
6 be the basis for criminal or administrative action against the  
7 Applicant for a Cannabis License or Financial Interest.  
8

- 9 ii. The approval of the Reasonable Royalty Holder by the OCR is  
10 wholly discretionary, and the OCR may, at any time, deny  
11 approval of the Reasonable Royalty or find that the Reasonable  
12 Royalty Holder is no longer qualified. The Reasonable Royalty  
13 shall be terminable immediately upon such determination.  
14

### 15 **§786. License Application Process**

- 16  
17 (a) The OCR shall create and furnish forms for the application for a Cannabis License and  
18 promulgate regulations governing the application, review, issuance, denial, and renewal of  
19 a License.  
20  
21 (b) In accordance with the provisions set forth in section 778, the OCR may issue the following  
22 Cannabis Licenses and Medical Cannabis Licenses on the island of St. Thomas:  
23  
24 (1) Up to seven (7) Medical Cannabis Dispensary Licenses and Onsite Consumption Use  
25 Permit sites; and  
26  
27 (2) Up to fifteen (15) Cannabis Cultivation Licenses.  
28  
29  
30 (c) In accordance with the provisions set forth in section 778, the OCR may issue the following  
31 Cannabis Licenses and Medical Cannabis Licenses on the Island of St. John:  
32  
33 (1) Up to three (3) Medical Cannabis Dispensary Licenses and Onsite Consumption Use  
34 Permit sites; and  
35  
36 (2) Up to five (5) Cannabis Cultivation Licenses.  
37
