Dear Mr. President-Elect:

On behalf of the U.S. citizens and residents of the United States Virgin Islands, I offer my warmest congratulations on your election as President of the United States. It was a stunning victory and, I truly believe, a portent of future progress in perfecting the American union during the next four years.

I look forward to working closely with you and your administration to resume the progress we made during the Obama-Biden administration to restore economic growth, to create needed jobs by investing in our infrastructure and in our people, and, not least, to eliminate the discriminatory treatment of our fellow Americans living in the insular areas of the United States.

Yolanda and I would also like to take this opportunity to invite you and the First Lady to come visit and relax in America's Caribbean Paradise as soon as you are able.

With my deep personal gratitude for your friendship and support, I am

Respectfully yours,
