Hi Dad.

Went to the mail this morning like you asked, but didn't see any pension check. Maybe tomorrow it will come. I put the other mail on your coffee table. Did they cut the phone?

The kids and I still want you to come live with us. I know this is not how you saw retirement but things have changed. We don't mind at all and it will help you save up some money. Please???

I read the Governor and Legislature have a Real Plan coming to help You and other Retired Government Employees. I'm sure it will improve some things. We should all support it.

Call me later. Okay!

Daddy.

I bought some groceries for your fridge. Don't get upset. I know things tight. it's okay.

THERE IS DIGNITY IN HARD WORK AND OUR GERS MEMBERS DESERVE THEIR FULL PENSION AND PEACE OF MIND. LET THE GOVERNOR AND THE LEGISLATURE KNOW, BEFORE DECEMBER 3RD, THAT YOU SUPPORT THE MATCHING FUND SECURITIZATION INITIATIVE.

Please visit www.VI.Gov for more information about the features and benefits to secure our future.

Paid for by the Office of the Governor
