EXECUTIVE ORDER NO. 517-2021

GOVERNOR OF THE VIRGIN ISLANDS OF THE UNITED STATES
DESIGNATION OF ENTERPRISE ZONE FOR SAVANNE-DOWNSTREET, ST.
THOMAS US VIRGIN ISLANDS

**********

WHEREAS, throughout the United States, the designation of enterprise zones is based
on a level of poverty for the census tract or census block area, and the enterprise zones in the
Virgin Islands represent areas where poverty exists; and

WHEREAS, enterprise zones designation requires that there must be residential
activity of living below a certain income level; and

WHEREAS, there is a need in Savanne-Downstreet, St. Thomas for such designation
because of the increase in residential activity, which indicates an increase of individuals living
below the poverty line in Savanne-Downstreet areas as well as adjoining zones and corridors
leading to these areas; and

WHEREAS, expanding the Savanne-Downstreet enterprise zones would be consistent
with other current Virgin Islands enterprise zones including, designations for Christiansted and
Frederiksted, which include the entire town areas; and

WHEREAS, the expansion of certain enterprise zones will help enable access to
Enterprise Zone Program benefits for downtown properties in the Virgin Islands, and increase
access to Community Development Block Grant and New Markets Tax Credit Programs; and

WHEREAS, it is recommended by the Enterprise Zone Commission that the
Savanne-Downstreet enterprise zones' legal definitions be identified and updated to include all
relevant areas where poverty exists so the above program benefits can be utilized throughout
the Virgin Islands.

NOW, THEREFORE, pursuant to the authority vested in me by Section 11 of the
Revised Organic Act of 1954, as amended, it is hereby ORDERED
SECTION 1. Expansion of Savanne-Downstreet

Within the proposed expanded boundaries of the Savanne-Downstreet Zone are a hotel and two guest houses that have struggled with financing for rehabilitation.
